21 November 2018

Dear Parent / Carer

Options Preparation Evening Thursday 6th December 6.00 – 7.00pm
Helping to support your child through the process

This academic year, Year 8 students will make their option choices and then study their GCSEs over a three year period in Years 9, 10 and 11. Consequently this is a very important time in your child's education when preparations are being made regarding the subjects and qualifications that they will study over the next three years.

As this options process will begin after the Christmas break, we would like to invite all parents/carers to attend an Options Preparation Evening on **Thursday 6th December** from **6.00pm – 7.00pm** where we will be introducing you to this system.

At the presentation we will provide you with information about the timescale and process of making option choices so that we can all begin offering advice and guidance in preparation for this.

We are delighted that students and staff from Exeter College will be presenting during the evening, to provide examples of progression routes and new technical courses to help inform the options process. Staff will be available for a short period after the presentations to help answer any questions.

If you intend to attend the evening, please either email wendy.thurlow@spexe.org entitling your email 'Options Introduction Evening' or complete the reply slip below and return it to the main school office by Monday 3rd December.

We look forward to seeing you at this event.

Yours sincerely

Nicky Ferguson
Assistant Headteacher

Adam Green
Head of Year 8

Year 8 Options Preparation Evening – Thursday 6th December

Please complete and return to Mrs Thurlow via the main office by Monday 3rd December

Name of Student:..... Tutor Group:.....

I will be attending the Curriculum Evening on Thursday 6th December.
